

14 REASONS FOR NOT BECOMING A TEENAGE MOTHER

When you have sex before marriage, these are the problems/challenges you are likely to face:

- You will drop out of school.
- You may be chased away from home.
- You may run away from home.
- You will have to carry the baby for all the 9 months of pregnancy.
- Or you may opt for abortion and you will face more problems e.g. death, guilt, depression, nightmares etc.
- You will have to look after the baby yet you do not have money.
- You may be rejected by your boyfriend this is because having a child was not a deal in your relationship
- You might contract HIV / STDS.
- You may face many challenges and you opt for an early marriage which has got so many consequences.
- Your dreams and aspirations may be lost.
- Loss of friends.
- A lot of shame and guilt.
- Regret for having had sex before marriage (saying I wish I had waited).
- Uncertainty of what the future holds
- It may become a recurring problem of having sex before marriage
