Vision for YFC Uganda

Our vision is to see every young person in every people group in Uganda have the opportunity to make an informed decision to be a follower of Jesus Christ and become part of a local church.

MY STORY

“By the time I joined Suubi Vocational Training School I had a lot of worries because of my brothers forcing me into an early marriage with the father of my child. But when I started the training at Suubi, their attitude towards me changed positively and they have grown to love me. I love my training at Suubi and I have become more skilled in tailoring to which I am thankful to God and partners to YFC who have made this possible”.

STUDENTS

Students are progressing well with their studies and learning new fashions. They are excited that they can now sew dresses, shirts and other clothing.

Impact in their lives so far

“ I accepted Jesus Christ as my Lord and Savior in Youth For Christ which has changed my life, helped me to love my self more and others. My tailoring skills have improved greatly.” Jane

“ I used to be worried about life a and how I would be able to survive in life. Since I joined Suubi, I have learnt how to pray and cast all my worries to God. I am a better seamstress, I can now make clothes like dresses and skirts.” Agnes

“By the time I joined Suubi, I had no hope. I now my life has changed through the bible studies and encouragement from our teachers. I now believe in my self and better at tailoring skills.”
