MESSAGE FROM TEAM LEADER

Dear our friends and partners, we have experienced the faithfulness of God these last three months. We have seen many young people give their lives to the Lord and many make informed decisions that will better their lives. My team and I thank you so much for being a part of this transformation in their lives.

Vision for YFC Uganda

Our vision is to see every young person in every people group in Uganda have the opportunity to make an informed decision to be a follower of Jesus Christ and become part of a local church.

OUR JOURNEY

Celebrating God's Faithfulness

We celebrate hosting two teams from the USA, namely, Royal Servants and Youth group from Cherry Creek Presbyterian Church who served with us mainly in our outreach ministry in schools, YFC building project and encouraging the elderly. They were also blessed in turn through our service. We hosted Heather Tuininga and her family, we were so blessed by their Visit.

This is what they went home with: “ *I am going to remember all the kid's smiles and will share my story with kids, “ I am going to live more in the moment and share the gospel more because you never know how God can use it in their lives., “Team work, unity, serving God with all my heart and have compassion”* We are grateful to God for His Faithfulness.

Young People Reached

We reached 11,418 young people in different schools and communities, pregnant teenagers and young mothers gatherings. This was through sharing life stories, music dance and drama. 1,510 young people committed their lives to the Lord while 5,232 committed to living lives of purity.

“Commit your plans to the Lord and He will make them succeed”. Proverbs 16:3

Pregnant Teenagers Outreach

My Story

“Before I joined YFC ,I had a lot of frustrations due to dropping out of school and I had so many problems and no one to counsel me. Joining Operation Daniel, a prayer movement in YFC, I have grown closer to God, gained godly counsel which enabled me to go back to school, complete my lower high school and start an independent life. I now have mentors that I am doing life with, they have made me a purposeful person”
