

Chapter two

LIFE IN FELLOWSHIP WITH CHRIST

“.... The one who loves me will be loved by my Father, and I too will love him and show myself to them” John 14:21.

Every Christian can experience fellowship with God daily as they learn to obey Jesus Christ and confess sins in their lives (John 14:23).

Following Jesus MEANS A LIFE OF OBEDIENCE TO HIM. Obedience to Him will lead to a wonderful fellowship with God.

Those who Love Jesus would want to know what His commands are so that they can obey them and live continuously in fellowship with Him.

What we can do to keep fellowship with God includes:

- **Obedying God's commands-** You need to first learn His commands through **READING THE BIBLE** (Psalms 119:7-8). Thereafter, obey what He says so that we may be blessed, if we do not obey we will not receive the blessings (John 15:10-11, John 14:15, Psalms 66:18, Hebrews 12:5-7).
- **Overcoming temptations-** Temptations are common to all men and sometimes they are very strong. It therefore not easy to be faithful and godly. But God will always provide a way out of that temptation (1 Corinthians 10:13). In order to fight temptations or escape sinning, we should keep God's word in our hearts (Psalms 119:11). We should

also watch and pray (Matthew 26:41).

- **Confessing your sins to God-** This involves agreeing, thanking and repenting. Sin hurts our fellowship with God not the relationship. When we confess, we agree with God that the wrong we did was sin. We thank Him that Jesus has paid for that sin on the cross. We repent showing a change of attitude about that sin, which will result in a change of action. When we do so God will restore us to pure and joyful fellowship (Psalms 51).

Is there any sin you would like to repent to God, please take some time to repent to God, He will forgive your sin and restore you.

If you have never received Jesus as your personal Lord and Savior, please say

“Dear God, I know I have sinned and deserve to be punished. I believe in your Son Jesus died for my sins, taking my punishment. I choose to believe in Him as my Savior right now and to walk with Him all my life. In Jesus's Name Amen. Now you are saved”.
