

YOUTH FOR CHRIST UGANDA

Dear Friends and Partners, you have been a great blessing to the young mothers in Suubi Vocational Training Centre. The Students graduated on 14th December in a Tailoring Course in which they excelled.

The Students, Parents and Guardians thank you so much for giving their daughters a skill to better their lives and their babies. We treasure you and your generosity towards those in need. May God richly bless you.

Students going home on 15th-December

THANKSGIVING

- ◆ We thank God and you our partners for His divine provision for the education of Suubi students for the last six months.
- ◆ We thank Him that they graduated on the 14th December and went back home to start working.

PRAYER

- ◆ Pray for ability and success for the young mothers as they start the small business.
- ◆ Pray that they will be life long followers of Jesus Christ and bless others too.
- ◆ Provision for the next intake in January 2023.
