### PREGNANT TEENAGERS IN MIREMBE HOUSE

We thank God for 6 babies born in Mirembe House in these last two months. The pregnant teenagers have found peace, joy and grown in loving their babies and in their relationship with God

### STORY OF A CHANGED LIFE

Emmanuella joined Mirembe House five months ago. She was raped while she was home alone which led to a crisis pregnancy. Her stay at our Center restored hope in her life, she was able to gradually forgive her abuser, experience gradual inner healing, developed love for her baby and acknowledge the love of God despite the abuse. She gave her life to the Lord which lead to more transformation in her life. She gave birth to a healthy baby boy and thanks God for him and for Mirembe House.
