NATIONAL DIRECTOR'S MESSAGE

Dear our Partners, the Students in Suubi Vocational Training School are progressing well in their Trade Skill Education in Tailoring. They love to study and growing in their character. It is a journey of transformation to which they are so thankful for. Because of you, their hope and dreams have grown bigger.

Miriam

STORY OF A CHANGED LIFE

Sharon, has enjoyed her stay and study in Suubi Center. She has learned to share the word of God with others, leading in praise and worship songs and grown in her faith in God. She has worked on her self-esteem and she is now able to lead others. Through Financial Management, she has draw a business plan, make a budget and on how she will manage her business well. She is excited to graduate soon and start her own business.

PROGRESS IN THEIR TRADE SKILL

The twelve young mothers have progressed in learning the tailoring trade, attained skills in financial management and developed skills in managing self and others.

DISCIPLESHIP CLASS

Moureen “ I was able to forgive those who hurt me and relate with friends better. I have developed confidence in my self ”

Catherine “I am now able to make dresses and skirts of different fashions. I can read the bible and pray for my self now. I am able to manage and cope with stress”.

Flavia “ I have learned how to forgive those who hurt me and work closely with friends in class to achieve my dream. I have also learned how to handle challenges in business and the power of saving”.

Charity “ my self esteem has improved and I am able to lead my fellow girls. I love making skirts and baby dresses which will be my emphasis for business. Though Suubi Center, I gave my life to the Lord”.

Dorcus “ I acquired knowledge on how to find capital to start her tailoring”.

Patricia “ I have learned to relate with others, practice patience in all I do, share with others. For my upcoming business, I learned how to draw up a business plan, save money and draw up a budget”.

Stella “ I acquired the skill in making skirts, dresses, aprons, bags. My desire is to sew school uniforms and women's bags in future”.

Winnifred “ I have learnt to relate and work with people. I am able to cope with my emotions whenever one hurts me”.
