

# YOUTH FOR CHRIST

UGANDA

Generation Now! A catalyst for change

## NATIONAL DIRECTOR'S MESSAGE

Dear our Partners, God enabled us to reach and bless many young people with His Love and gospel. We give thanks always for you and the blessing you are to many. It is a worthwhile investment in the Kingdom of God.  
Miriam Koote

## YOUTH OUTREACHES

The Outreach Team reached young people in schools preaching the gospel, teaching life skills and providing discipleship. We praise God for the partnership with Scripture Union Uganda for the Schools Mission in Luwero, Nakasongola and Nakaseke.

## STORY OF A CHANGED LIFE

James (13 years) is so grateful to God that YFC visited his School because it's the day that he committed his life to the Lord. Through our outreach, he learnt the importance of doing good, avoiding bad behavior and making good decisions. He committed to pray always and be contented with what God has given him. We thank God for the change Christ brought in his life.
